Your #1 Miracle Superpower

Energy Warrior

ENERGY WARRIOR

Based on the information you've shared and told us about yourself, your #1 Miracle Superpower is what's known as the "Energy Warrior".

Here's what that means

Your Motto: I Choose Where I Put My Energy and Attention

ENERGY WARRIOR

Energy Warriors know that what they focus on grows in their life, and their superpower is the ability to be really intentional when it comes to what they want to bring into their world.

Energy Warriors find it easy to move forward with great results when they're consciously choosing where they put their energy and attention, and when they're listening to their body's wisdom.

Their ability to ground and focus their energy is what allows Energy Warriors to create the space and conditions for miracles to flow in their life. It enables them to be laser-focused on what they want, take aligned action, and stay in a positive energy and mindset.

You can tap into your superpower more fully by doing things that ground and align your energy like moving your body in yoga class, focusing on the gift in every situation, taking a small action step on your to-do list, trying a new activity, or going for a brisk walk or run.

Common Miracle Blockers

If you're an Energy Warrior, and you don't feel like you've stepped fully into your potential, it could be because **overwhelm or fear of letting go of control** are getting the better of you, which is common for Energy Warriors .

Maybe perfectionism gets in the way of being able to relax and trust in the power of the Universe. You have a lot of energy and you're always in action, because you feel like you have to do it all yourself.

There's a lot on your shoulders, and you draw on your energy, going and going until the batteries are empty.

If you're feeling burned out or overwhelmed, yet you can't stop or relax, you won't be able to step into the Miracle Zone. In short, you're so busy **DOING** that you don't have time for **BEING**.

It's common for an Energy Warrior to feel a sense of responsibility - for themselves, their family, and for the world...and yet, if you take on **TOO** much responsibility, you don't give the Universe a chance to help and support you. It's exhausting!

Energy Warrior friend, your energy is **POWERFUL**, yet it's even **MORE** powerful when you let go and allow yourself to replenish your energy and trust that the Universe has always got your back. And if you're not able to do that, you can find yourself stuck outside the "Miracle Zone."

And that means not being able to fully experience that place where you're in effortless flow, where you feel like everything in the universe is working in your favor, and life just feels amazing.

Instead, you may be experiencing the "mediocre zone" where much of life feels like an uphill struggle, you get bogged down in day-to-day stress, anxieties, and insecurities, and you can't seem to make things "click" even though you **KNOW** you're just scratching the surface of how good life can be.

The 5 Essential Superpowers

In order to fully create the circumstances for more miracles to flow in your life, there are FIVE things you need to be doing, and *choosing where to put your energy and attention* is one essential ingredient. And even though Energy Warrior is YOUR superpower, it takes embodying all 5 areas to truly live in the Miracle Zone and be open to the flow of miracles and joy and abundance you never thought was possible. Here are the other 4

Trust In the Universe

Know that you are always taken care of by a benevolent universe. Live in the magic of the present moment, and follow signs and synchronicities that guide your next steps.

Live From the Soul

Deeply connect to your inner source of power and wisdom, and trust yourself and your intuition, even if that sometimes means going against the crowd or conventional wisdom

Lead with an Open Heart

Let love lead, and practice gratitude, forgiveness, and compassion. Be loving, generous, and empathetic.

Take Responsibility for Your Life

See yourself as a victor of life rather than a victim. Take aligned action, knowing that you're co-creating your results with the Universe.

Your Next Steps:
