Your #1 Miracle Superpower

Soul Sage

SOUL SAGE

Based on the information you've shared and told us about yourself, your #1 Miracle Superpower is what's known as the "Soul Sage".

Here's what that means

Your Motto: I Live From the Soul

SOUL SAGE

Soul Sages are deeply connected to their inner source of power and wisdom, and they trust themselves and their intuition, even if that sometimes means going against the crowd or conventional wisdom.

Soul Sages tend to look inside for the answers, and will usually benefit from meditation or some other activity that lets them connect deeply to themselves and their inner truth.

They are known for their clarity, alignment, and spiritual self-awareness. That inner KNOWING is what allows Soul Sages to create the circumstances for miracles to flow in their lives, by standing firm in their soul's guidance.

You can tap into your superpower more fully by meditating in your favorite spot, taking some time to write in your journal, connecting with your divine support system, and doing anything that quiets your external environment so that you can connect with your inner truth.

Common Miracle Blockers

If you're a Soul Sage, and you don't feel like you've stepped fully into your potential, it could be because **self-doubt** is getting the better of you, which is common for Soul Sages.

Maybe the Universe has been nudging you in a certain direction, or giving you signals that it's time to take a new path — whether that's changing jobs or careers, ending a relationship, or beginning a new one — and then you begin to doubt yourself and your own wisdom.

And that doubt or fear of failure, or worry about what others think may be keeping you from fully stepping into the Miracle Zone.

It's common for a Soul Sage to wonder, “Is this really what my soul's guidance is telling me? I think the Universe is giving me this message, but I'm not sure. It feels too big, too scary, too far outside my comfort zone to reach for that.”

And then you don't act on your intuition or your inner knowing, and your purpose and true calling never become fully realized.

Soul Sage friend, your intuition & your inner guidance is powerful, yet it's even MORE powerful when you're fully open to receiving and trusting where it leads you, without doubt. And if you're not able to do that, you can find yourself stuck outside the “Miracle Zone.”

And that means not being able to fully experience that place where you're in effortless flow, where you feel like everything in the universe is working in your favor, like the wind is at your back and life just feels amazing.

Instead, you may be experiencing the “mediocre zone” where much of life feels like an uphill struggle, you get bogged down in day-to-day stress, anxieties, and insecurities, and you can't seem to make things “click” even though you KNOW you're just scratching the surface of how good life can be.

The 5 Essential Superpowers

In order to fully create the circumstances for more miracles to flow in your life, there are FIVE things you need, and *living from the soul* is one essential ingredient. And even though Soul Sage is YOUR superpower, it takes embodying all 5 areas to truly live in the Miracle Zone and be open to the flow of miracles and joy and abundance you never thought was possible. Here are the other 4:

Trust In the Universe

Know that you are always taken care of by a benevolent universe. Live in the magic of the present moment, and follow signs and synchronicities that guide your next steps.

Lead with an Open Heart

Let love lead, and practice gratitude, forgiveness, and compassion. Be loving, generous, and empathetic.

Choose Where You Put Your Energy and Attention

Be intentional when it comes to what you want to bring into the world, and consciously focus your energy on what you want to create.

Take Responsibility for Your Life

See yourself as a victor of life rather than a victim. Take aligned action, knowing that you're co-creating your results with the Universe.

Your Next Steps:
